

WOODLAND JOINT UNIFIED SCHOOL DISTRICT

“Excellence for All”

Nov. 9, 2023, Special Board Meeting Summary

At the Nov. 9, 2023 Special Board Meeting, the Board:

- Approved [Resolution 21-24: Order a Recall Election for Trustee Area Two of the Woodland Joint Unified School District Board](#).

The Yolo County Elections Office notified our District on Sunday, Nov. 5 that a petition to recall the Board member in Trustee Area 2 had been certified, which requires our District to order an election to be held to determine whether or not the officer named in the petition shall be recalled (as required by Elections Code 11240).

The Board voted to set the recall election on the March 5 ballot during the Presidential Primary Election, which will cost our District approximately \$18,500. If the Board chose to set a different date other than the March 5 Presidential Primary Election, it would have required a special election, which would cost our District approximately \$245,000.
