Accord:

Trustees will also endeavor to:

- **Be Impeccable With Their Word**

In essence, this agreement focuses on the significance of speaking with integrity and carefully choosing words before saying them aloud.

- **Not Take Anything Personally**

This agreement provides trustees with a way to advocate the importance of having a strong sense of self and not needing to rely on the opinions of others in order to be content and satisfied with their self-image.

- **Not Make Assumptions**

When one assumes what others are thinking, it can create stress and interpersonal conflict because the person believes their assumption is a representation of the truth.

- **Always Do Their Best**

This agreement entails integrating the first three agreements into boardsmanship and also serving the community to one's full potential.
