Board of Trustees' Agreements

- Boundaries
- It's Not a Zero Sum
- Open/Aspire to Finding Common Ground
- Having Empathy
- Being Respectful

Accord:

The Board of Trustees of the Woodland Joint Unified School District will strive to adhere to the processes and procedures included in the Board Governance Handbook.

Trustees will also endeavor to:

- **Be Impeccable With Their Word**

In essence, this agreement focuses on the significance of speaking with integrity and carefully choosing words before saying them aloud.

- **Not Take Anything Personally**

This agreement provides trustees with a way to advocate the importance of having a strong sense of self and not needing to rely on the opinions of others in order to be content and satisfied with their self-image.

- **Not Make Assumptions**

When one assumes what others are thinking, it can create stress and interpersonal conflict because the person believes their assumption is a representation of the truth.

- **Always Do Their Best**

This agreement entails integrating the first three agreements into boardsmanship and also serving the community to one's full potential.
