Fund Overview [Help - Fund Overview](#)

Please report totals in whole numbers without decimals, commas, or other punctuation.

- Reported totals should be for the period December 31, 2020, to March 31, 2021.

Total Allocated Amount:

\$

Total Received Amount:

\$

Previous Expended Amount:

\$

Current Obligation Amount:

\$

Current Expended Amount:

\$

Projected Unexpended CRF:

\$

I understand that any CRF fund amount that has not been expended by the deadline of December 30, 2020, will be reverted to the Department of Finance without any further notice.

Funds Expended [Help - Funds Expended](#)

Please use the following guidelines to report funds expended:

- Report your expenditures based on the **total** expended by the end of the reporting period, including any amount expended during previous reporting periods (i.e. **Previous Expended Amount + Current Expended Amount**).
- Do not factor in any amount obligated, but not expended.
- Please use whole numbers to indicate the approximate percentage of funds expended for each category.
- Please add a "0" for any category where funds were not expended.
- The Total Percentage value should equal 100% (or 0% if the expended total is 0) when you are finished.

1) Addressing learning loss or accelerating progress to close learning gaps through the implementation, expansion, or enhancement of learning supports:

%

2) Extending the instructional minutes, time, or school year to increase the amount of instructional time or services provided to pupils based on their learning needs:

%

%

Total Percentage:

%

CRF Specific Information

[Help - CRF Reporting Information](#)

- Amounts entered in the categories below must total to the amount entered in the **Current Obligation Amount** and **Current Expended Amount** textboxes above.
- Please use whole numbers (without decimals, commas, or other punctuation) to report the total for each category.
- You may enter a negative number to adjust a previously reported amount downward.
- Please add a "0" for any category where funds were not expended or obligated.
- If adding a Custom Expenditure Category, enter the new name and then press "Add Custom Expenditure Category" in order to save the new category.
- Please see additional information on adjustments and Custom Expenditure Categories on the [CARES Act Reporting Help Page](#).
