

**Local Control and Accountability
Plan
Committee Meeting
October 25, 2021
5:30 – 6:30 pm**

AGENDA

1. Welcome

- All members introduced themselves with their name and school/group membership.
- Agreements proposed for the work together: (1) seek to understand; (2) presume positive intent; (3) leave space for all to contribute
- An additional agreement was suggested by a member: (4) stay student-centered
- Resources on www.wjUSD.org were reviewed; all LCAP documents and archived meeting info are available in the LCAP section of the district webpage

2. Introduction to LCAP and LCFF

- The Local Control Funding Formula was established in 2013 as a revision to how school funding is distributed, prioritizing local control and giving districts additional funding to support students who are low income, English learners, and foster youth.
- WJUSD receives base, supplemental, and concentration grant funding due to its high percentage of students who are low income, English learners, and foster youth.
- LCFF also established an accountability system by which districts are measured on the eight state priorities:
 - Basic Necessities
 - Implementation of State Standards
 - Access to Courses

- School Climate
- Student Engagement
- Parental Involvement
- Student Achievement
- Other Student Outcomes
- The LCAP is how the district outlines its goals, actions, metrics, and expenditures to meet the eight state priorities

3. Roles and Responsibilities within LCAP

- The district's responsibilities include: consulting with stakeholders and engaging in comprehensive data review. Additionally, addressing the eight state priorities, and measuring progress on all of the metrics.
- Members of the LCAP Committee serve as a liaison between the School Site Council/WEA/CSEA/admin team and the district LCAP Committee
 - Review progress
 - Provide feedback
- The district's role in the committee is primarily to provide information to the committee on the LCAP and other plans, and to share data for discussion
- The timeline for the Committee's work was shared

4. Accountability Update

- The California School Dashboard will not be published for 2021 due to federal and state action
- The California Department of Education will publish data on Dataquest (dq.cde.ca.gov)
- WJUSD reviews data on a regular basis to monitor progress on the LCAP metrics
- Data currently being reviewed includes:
 - Goal 1 – elementary music program enrollment
 - Goal 1 – AP test scores
 - Goal 2 – universal screening assessments in reading, math, and social-emotional learning
 - Goal 2 – monthly ADA reports

- Goal 2 – professional development attendance/feedback
- Goal 3 – summative ELPAC scores for 2021

5. Review LCAP 2021-24 Goals

- The LCAP goals for the current plan were reviewed.

6. Member Topic Requests for Future Meetings

- Request: How are school sites using the additional funds they were allocated for learning support?
- Request: Information about AP test scores
- Request: How are school sites incorporating social-emotional learning?

Next Meeting: December 13, 2021 at 5:30 pm
