***Woodland Adult Education can help you study and prepare for the Paraprofessional or other job related tests required for employment with WJUSD***

### **Adult Basic Education - Skills Review & Test Preparation Classes**

**Skills Review:** Improve your reading, writing and math skills for your own satisfaction, for work advancement, or in preparation for a GED/HiSET or High School Diploma. This course will provide individualized instruction to meet each student's unique needs. Learn to use computer software and the internet to improve your math, writing and reading. This is an on-going, continuous class. Interested students must attend orientation before starting this class. Following orientation, each student will meet with an advisor before enrolling and starting class.

**Test Preparation:** Do you need to prepare to pass the CBEST or Paraprofessional test? Do you need to pass the test for your next promotion? We can help! After attending orientation and completing an evaluation in reading and math, the teacher will work one-on-one with each student to assist them in the subjects needed. This class will provide customized coursework to prepare students for their test.

### **Classes Offered:**

**Monday-Friday 8am-11:30am; Tuesday & Thursday 5pm-8pm**

**\*\*NO FEES\*\***

### **Ten Tips to Improve Multiple-Choice Test Performance**

1. Read directions carefully and follow them
2. Budget your time wisely
3. Read each question and choice completely
4. Look for key words
5. When in doubt, GUESS, do not leave questions blank
6. Eliminate obvious wrong answers
7. Check other questions for clues
8. Answer easy questions first
9. Don't read too much into a question
10. Mark your answer sheet properly
