WJUSD Labor Negotiations Update – August 19, 2020

This is an update for WJUSD staff on the District's Negotiations with the CSEA bargaining team.

Negotiations with California School Employee Association (CSEA)

Today, the bargaining teams for the District and CSEA reached an agreement on a Memorandum of Understanding (MOU) related to professional development which is scheduled to begin on Thursday, August 20, 2020. The MOU provides for paid training to classified employees on a variety of topics and subject areas relevant to specific classifications with the focus on preparing our staff to support students in remote learning. The teams met Monday and yesterday to continue their negotiations for a MOU related to the reopening of the 2020-2021 school year. The teams shared counter proposals on both dates and have agreed to continue to bargain in good faith this afternoon.
