Local Control and Accountability Plan Goals

Goal 1:

Each student will meet the skills and competencies of the graduate profile in order to be college and career ready through a rigorous, intellectually rich, and culturally relevant environment.

Goal 2:

Each student's individual social-emotional and academic needs will be met through quality first instruction, enrichment, and intervention in a safe, supportive, and inclusive environment.

Goal 3:

Accelerate the academic achievement and English proficiency of each English learner through an assets-oriented approach, and standards-based instruction.

Goal 4:

Provide meaningful engagement and leadership opportunities for youth to directly and significantly shape each student's education and school community.
