Staff should be trained on where to find the information before we notify families, so we can provide excellent support to our families. Angelica Santillan agrees as a parent that we need to train staff. This will prevent parent frustration if staff knows how to properly assist. The draft was unanimously approved by the council</p> <p><u>Parent Compact:</u> Unanimously approved the draft.</p> <p><u>Attendance comparisons</u> The attendance data was displayed in a powerpoint. Eric Wilson asked principal Lambert to clarify what the 1-6 codes mean for attendance. After reviewing the data, Mr. Wilson was alarmed and asked how our site teachers are feeling about this. Annie Mapalo said that this fall is a great improvement compared to the Spring 2020 remote learning experience. Annie Mapalo also reported that some students are often unable to attend class due to the fact that they need to assist their younger siblings with logging in to their classes. Overall, even though this semester is an improvement, teachers are concerned.</p> <p>Angelica Santillan said she feels supported by the WHS staff as a parent of a freshman and a senior.</p> <p>Sherrie Jensen expressed that it is difficult to have a one-on-one connection since students are not</p>

<p>8. New Business - continued</p>			<p>turning on their cameras. Connections are of course much better in person for students.</p> <p><u>Academic data:</u> The council compared grade data from this 2020 1st grading period and the 2019 1st grading period. We as a council noticed an increase in Ds and Fs this grading period during remote learning.</p> <p>Eric Dyer said he would like to see a comparison of As, Bs and Cs as well.</p> <p>Eric Dyer said that he, as a teacher has been attempting to connect with families of students in danger of failing, but the numbers in Aeries are sometimes inaccurate.</p> <p>Mr. Wilson (parent) said that hopefully this data shows the district that we need to strongly consider bringing our students back on site for in-person learning.</p> <p>Annie Mapalo expressed that without an RTI on site or a freshman support seminar period.</p> <p>Vice Principal Embree said that the district is in the process of interviewing a brand new RTI for our site.</p>
