Each proposal must be capable of being evaluated independently based solely on the information contained in the proposal.

B. Evaluation Categories, Points, and Scoring

Each member on the Proposal Evaluation Committee will independently score each proposal and each Firm's initial score will be equal to the average score from the Evaluation Committee (i.e., the total number of points from the Proposal Evaluation Committee divided by the number of Proposal Evaluation Committee members: initial

score = sum total of points/number of committee members). The initial score will be calculated to two decimal places. Although the Proposal Evaluation Committee will independently score each proposal, the members reserve the right to discuss the RFP process and information in any proposal with other members.

The RFP contains eight (8) Evaluation Categories, as discussed in Section VII C., and the maximum number of points for each category is shown in the table below. There are 1000 possible points.

EVALUATION CATEGORY	POINTS
Mandatory Requirements	Pass/Fail
Firm Personnel, Capacity, and Methodology	250
Relevant Experience and Past Performance	350
Pre-construction Services	50
Labor Compliance/Skilled and Trained Workforce	100
Safety	100
Local Business Outreach and Participation	50
Exceptions to Pre-construction/LLB Agreements	100
MAXIMUM TOTAL SCORE	1000

C. Short List Interviews

After each Firm’s initial score is calculated, the Proposal Evaluation Committee will determine the short list of Firms that will be invited to interview with the Proposal Evaluation Committee. The number of Firms to be interviewed shall be in the District’s sole discretion. Firms invited to interview with the Proposal Evaluation Committee will be required to bring their fee proposal (Attachment 2) in a sealed envelope to the interview. The interview will consist of a presentation (thirty (30) minutes) followed by a question and answer period (thirty (30) minutes). After the interview, the Proposal Evaluation Committee will add the points for the “Interview” Evaluation Category based on the information presented at the interviews and the Firm’s performance to determine the Firm’s total final score. If the Firm provides information during the Interview that differs from, or otherwise clarifies any information in the proposal submitted, the Proposal Evaluation Committee reserves the right to adjust any previous points given to the Firm in the appropriate Evaluation Category. Any adjustments in points will be a decrease and no increase in points will be given. Therefore, it is critical all Firms provide all required and detailed information in the Firm’s proposal. The total final scores will be used to determine the Best Value Scores (as defined in Education Code section 17400). Best Value Score = sum total of points/number of committee members. A Best Value Score will not be calculated for those Firms not invited to interview with the Proposal Evaluation Committee.

D. Fee Proposal and Best Value Score

The fee proposal (Attachment 2) will be used to calculate the Best Value Score. The Best Value Score will be determined by dividing the Firm’s final evaluation score (after interviews have been conducted) by the total fee proposal price to calculate a dollar per point score (Best Value Score = Total Fee Proposal/Final Score). **The Firm with the lowest dollar per point score will be the Best Value Score.**

The following example, for illustration purposes only, demonstrates the calculation of the final score and the Best Value Score.

Example Scoring and Best Value Scoring for Illustration Purpose Only:

FIRM #1

EVALUATION CATEGORY	MAX.	#1	#2	#3	Ave.
Mandatory Requirements	P/F				
Firm Personnel, Capacity, and Methodology	250	200	200	200	200
Relevant Experience and Past Performance	350	350	325	300	325
Pre-construction Services	50	50	50	50	50
Labor Compliance/Skilled and Trained Workforce	100	75	75	100	83.3
Safety	100	100	75	100	91.7
Local Business Outreach and Participation	50	25	50	50	41.7
Exceptions to Pre-construction/LLB Agreements	100	100	100	80	93.3
MAXIMUM TOTAL SCORE	1000	900	875	880	885

Example Firm #1 Fee Proposal:
Proposed Fee = \$400,000

Firm 1 – Best Value Score – 400,000/885 = \$452/point

FIRM #2

EVALUATION CATEGORY	MAX.	#1	#2	#3	Ave.
Mandatory Requirements	P/F				
Firm Personnel, Capacity, and Methodology	250	250	250	250	250
Relevant Experience and Past Performance	350	350	325	300	325
Pre-construction Services	50	50	50	50	50
Labor Compliance/Skilled and Trained Workforce	100	90	100	80	90

Safety	100	100	100	100	100
Local Business Outreach and Participation	50	50	50	50	50
Exceptions to Pre-construction/LLB Agreements	100	100	80	90	90
MAXIMUM TOTAL SCORE	1000	990	955	920	955

Example Firm #2 Fee Proposal:
Proposed Fee = \$500,000

Firm 2 – Best Value Score – \$500,000/955 = \$523.6/point

Based on this example, Firm 1 would be selected because Firm 1 has the lowest Best Value Score.

XI. GENERAL TERMS AND CONDITIONS

District Obligation

Receipt of proposals and responses to this RFP does not obligate the District in any way. The District reserves the right to accept or reject any or all proposals, and to waive any irregularities or informalities in any proposal or in the RFP process. Firms will not be entitled to any payment or costs for any work or services without entering into a Pre-construction Services Agreement and/or Lease-Leaseback Contract approved and ratified by the District’s governing Board of Education.

Award of Contract

This RFP implies no obligation to award contracts to any Firm. If it is in the best interest of the District, the District retains the sole and absolute right to select the Firm that best meets the District requirements. Selection of a Contractor does not entitle the selected Contractor to the award of any contract(s), which shall be awarded at the discretion of the Governing Board, if at all. The District may, in its sole discretion, elect to award one or more contract(s) for all, each or some of the District’s Measure Y Capital Improvements Plan Projects – Group 2 – to the selected Contractor.

Approval to Start Work

The successful Firm may perform lease-leaseback services once a Lease-Leaseback Agreement (Site Lease, Sublease, and Construction Services Agreement) has been fully executed and approved by the parties and the District’s Board, and all appropriate documentation has been received and approved by the District, and a purchase order has been issued. The District shall not be responsible for any costs or compensation for work done, even in good faith, prior to approval of the agreements and purchase order issuance by the Governing Board of the District.

Ownership of Documents

All proposals and materials submitted in response to this RFP shall become the property of the District and shall be considered a part of public records and subject to disclosure under the California Public Records Act, unless exempted by law. In addition, all designs, drawings, specifications, notes and other work developed in the performance of any services resulting from this RFP shall be the sole property of District and may be used by District for any purposes without additional compensation to the selected Firm. The selected Firm agrees not to assert any rights or to establish any claim under the design patent or copyright laws.

Joint Ventures

Where two or more Firms desire to submit a single response to this RFP, they should do so on a prime-subcontractor basis rather than as a joint venture or informal team. The District intends to contract with a single Firm and not with multiple Firms doing business as a joint venture.

Fingerprinting

Per the provisions of Education Code section 45125.1, the District has a zero tolerance policy for all Firms having any contacts with students without clearance from the State Department of Justice. All assigned personnel shall comply with the fingerprinting clearance law prior to providing services at the school sites. An employee roster will be required for all personnel that will be on job sites. This roster will be submitted with employee's legal name and emailed to Vicki.pulsifer@wjud.org. Upon notification of clearance, we will require a headshot photo to issue a badge to be worn at all times when on our campuses throughout the District. This badge is a mandatory return at the project completion. Personnel are not allowed on any campuses without District clearance.

ATTACHMENT 2 – FEE PROPOSAL

DO NOT SUBMIT THIS FORM WITH THE PROPOSAL. ATTACHMENT 2 MUST BE BROUGHT TO THE INTERVIEW IN A SEALED ENVELOPE. This “Attachment 2” must be submitted in a separate, sealed envelope with your company name, proposal title, “Fee Proposal, Attachment 2”, labeled on the outside of the envelope and brought to the interview. Only those Firms that are invited to interview will be required to complete the Fee Proposal (Attachment 2).

The Firm proposes the following fees:

1. The pre-construction fee should be expressed as a lump sum firm fixed price based on the construction budget, schedule, and descriptions in Sections II and V of this RFP, and the attached form Pre-construction Services Agreement.

Pre-construction Fee: [LUMP SUM] \$_____

2. The lease-leaseback fee shall include the Firm’s overhead, profit, and all other costs (excluding general conditions) that are necessary to fully complete the Project, and should be expressed as a percentage and shall be the same as the “Contractor’s Fee” as set forth in Article 3 of the Construction Services Agreement in Attachment 3 to this RFP.

NOTE: Should the Firm try to revise the Contractor’s Fee in the final Construction Services Agreement so that it exceeds the percentage below, the Firm agrees and acknowledges that the District has the right to deem the Firm’s proposal non-responsive, cancel the Lease-Leaseback Contract without owing any fees or costs to the Firm, and award a contract to another contractor/Firm.

Lease-Leaseback Fee: _____% of construction budget.

3. The general conditions should be expressed as a monthly rate based on the construction budget, schedule, and description in Section II of the RFP. **Include a list of all general conditions the Firm requires for the Project and submit with this Attachment.** No other general conditions not provided with this Attachment shall be allowed in the Lease-Leaseback Contract.

General Conditions: \$_____ /month

4. Total Fee Proposal:

The District will consider the Fee Proposal both for all of the listed projects, as well as separate fee proposals for each project in the event the District elects to either: 1) award contracts to the successful contractor for all listed projects; 2) award contracts for only certain listed projects to the successful contractor. Cost efficiency in delivery of all listed projects will be a significant factor in that determination.

Use the following for: 1) a Fee Proposal to complete all listed projects; and 2) separate Fee Proposals for each of the listed projects.

For purposes of scoring the fee proposals, the monthly fees will be multiplied by **4.5 months** to calculate the total fee for evaluation purposes and the total fee will be used to calculate the Best Value Score. The actual Lease-leaseback Fee and General Conditions price for the Firm awarded the contract will be based on the final construction budget and actual term of the Lease-Leaseback Contract.

1. Pre-construction Fee: = \$ _____
2. Lease-leaseback Fee: ____ % x [construction budget] = _____
3. General Conditions: \$ _____/month x [4.5 months] = _____
